

Eucharistic Homily

Epiphany Sunday

January 6, 2019

When we come to the Lord's Table, we come in union with Jesus as children of our heavenly Father. The Lord's Table is the primary way that God reaffirms to us that He is our Father and we are members together of His family. This is one significant way that the Lord marks out those who belong to Him. A seat at God's Table means that you are loved, you are welcomed, you belong. There are no guests at this Table; only family.

No one earns their way to this Table. No one's here because he or she deserves a seat at God's banquet. The truth is, we're all here in spite of that fact that we don't deserve to be here. It's all a gift, sheer grace. So come in humility with thanksgiving and receive the blessings of our heavenly Father.

If you've been baptized into Christ and are seeking to live faithfully and obediently for Him, you are invited to partake of this feast that our gracious God has prepared for us. These are the gifts of God for the people of God.
