

Eucharistic Homily

Second Lord's Day of Advent

December 8, 2019

John 1 contains the wonderful promise that all who receive Christ and trust in Him are adopted into the family of God as His beloved children. Through faith in Christ, we receive new life, a new identity, a new family, a new story, and a new purpose.

The Holy Communion is a family meal for the children of God. There's nothing magical about this bread or wine. By the word of God and the Spirit of God, we receive the life and strength and blessings of our risen Lord so that we can live as God's people and shine the light of His glory in the world.

If you've been baptized into Christ and are seeking to live faithfully and obediently for Him, you are invited to partake of this feast that our gracious God has provided for us. These are the gifts of God for the people of God.
