

# **Eucharistic Homily**

*Fifth Lord's Day of Epiphany*

*February 9, 2020*

If we, who are marred and broken by sin, are going to have any hope of living the life of the age to come in this fallen world, we're going to need some serious divine intervention. Thankfully, this is exactly what Jesus has supplied for us by giving us His Spirit.

One of the ways that God's Spirit strengthens, encourages, and fortifies us is through this Lord's Supper. In this Holy Communion, all who have been baptized are invited to receive the resurrected body and blood of the Lord Jesus by faith. Here we feast on the true manna from heaven that came down from the life of the world. This heavenly feast sustains through this mortal life until we enter the inexpressible joy of the life of the age to come.

If you've been baptized into Christ and are seeking to live faithfully and obediently for Him, you are invited to partake of this feast that our gracious God has provided for us. These are the gifts of God for the people of God.
