

# **Eucharistic Homily**

*First Lord's Day of Easter*

*April 4, 2021*

In a world filled with death and despair, this Holy Communion is a constant reminder that Jesus specializes in bringing life out of death.

This Lord's Supper is reminder to us and to the world that Jesus now reigns in resurrection glory and will come again in glory to set the world to rights.

This Lord's Supper is a promise that we are destined to reign with Jesus in resurrection glory and share in a foretaste of that glory now.

This Lord's Supper is a guarantee that this whole physical universe will be transformed by resurrection glory.

Jesus' resurrection means that death has been defeated and new creation life has been unleashed in the midst of this fallen world.

If you've been baptized into Christ and are seeking to live faithfully and obediently for Him, you are invited to partake of this feast that our gracious God has provided for us. These are the gifts of God for the people of God.
