

Eucharistic Homily

Fourth Lord's Day of Easter

May 8, 2022

Because we are blessed to live in a society that has been permeated by the word of God in many ways, we probably won't see the kind miraculous signs mentioned in Mark 16. But we dare not overlook the fact that Jesus has given us this Holy Communion as a miraculous sign each and every week.

This Lord's Supper is a sign that Jesus, who was crucified for our sins, is alive and is reigning at the right hand of heaven until He comes again in glory.

This Lord's Supper is a sign that marks out the covenant people of God from the world and seals to us all the blessings of the New Covenant.

On top of that, this Lord's Supper is a memorial sign by which we call upon God the Father to deal with us on the basis of Jesus' broken body and shed blood.

So all who are baptized and are trusting in Christ for the forgiveness of their sins are welcome to partake of this feast. These are the gifts of God for the people of God.
